Title page 1

Use this page to introduce the product

by <AUTHOR>

This is "Title Page 1" - you may use this page to introduce your product, show title, author, copyright, company logos, etc.

This page intentionally starts on an odd page, so that it is on the right half of an open book from the readers point of view. This is the reason why the previous page was blank (the previous page is the back side of the cover)

Special thanks to:

All the people who contributed to this document, to mum and dad and grandpa, to my sisters and brothers and mothers in law, to our secretary Kathrin, to the graphic artist who created this great product logo on the cover page (sorry, don't remember your name at the moment but you did a great work), to the pizza service down the street (your daily Capricciosas saved our lives), to the copy shop where this document will be duplicated, and and and...

Last not least, we want to thank EC Software who wrote this great help tool called HELP & MANUAL which printed this document.

I Šifrant surovin	3
Index	0

Foreword

This is just another title page
placed between table of contents
and topics

Title of this help project

1 Šifrant surovin

V primeru pekarn je testo sestavina več surovin in tato testo opredeljujemo kot polizdelek. Polizdelki nimajo svojega šifranta , zato so vključeni v šifrant surovin.

V šifrant vnesemo:

- šifro surovine/polizdelka
- naziv surovine/polizdelka

Pri pripravi kosovnice/recepture pripravljamo podatke, ki nam povedo koliko vhodnih surovin je potrebnih za polizdelek - testo. Na osnovi teh podatkov pridemo do točnega izraèuna potrebnih materialov za proizvodnjo in posledično do drugih (statistiènih) podatkov, ki nam pomagajo pri odloèanju.
